

Adrian Little

Meet Liberty Drive Student Support Specialist, **Adrian Little**. This is Adrian's first year working with Communities In Schools of Thomasville. He is finishing his Master's Degree in Social Work with a concentration in Nutrition.

Adrian joined CIS to help students overcome obstacles that weigh down their lives. His motto is, "The Dream is Free but the Gift takes Work!" In his spare time, he enjoys spending time with his family, boxing, and playing basketball. He is dedicated to helping our students and families. This past month he was directed to a parent who

had experienced unexpected medical expenses. This little added expense took what little money she had reserved for food purchasing. Mr. Little packed an emergency food box and delivered it to the parent's home. The parent was so happy for the gift of food and thanked him graciously. Emergencies happen. This is what CIS is Made of!
