What We Are Made Of...

Kiara Flores and Laura Solis - These Thomasville High School graduates left a mark on our campus and in our hearts. As members of Women of Standard, they proved themselves to be dedicated and committed to helping others, adding passion and enthusiasm to every group discussion and project.

Laura and Kiara, we are excited for you both and wish you nothing but success beyond your wildest imagination!

We're Cooking!

Giving our students a healthy start and a healthy future is one of our Five

Basics.

In early June, CIS students and their families toured Thomasville's Farmers' Market, selected some fresh produce, and prepared a family meal - black bean and veggie quesadillas with mango salsa! Delicious!

One parent exclaimed, "I loved it! I have never been to the Farmers' Market. When is the next class? "

Open Food Pantry Volunteers

Our most recent Open Food Pantry was a huge success, thanks to everyone who volunteered their time and their strength. **1.6 tons** of food was distributed to over **70 families**. CIS can assist families in need of food over the summer. For more info, contact Shaylen Brown at browns@cisthomasville.org or 336-309-0896.
