## What We Are Made Of...

Kieyeitha "Bridgette" Dow is a Primary School "little lady." Student Support Specialist, Rosemary Williams, started Little Ladies this spring to help girls improve self esteem and learn how to be respectful of themselves and others. Bridgette has made huge strides since joining the group in March. "I've made new friends and learned a lot about how to be a friend in need."

We are growing Little Ladies who believe in themselves and have the skills they need to be successful in relationships - and in school.
