WHAT WE ARE MADE OF

Meet **Rosemary Williams**, our Student Support Specialist at Thomasville Primary School. Rosemary describes her time with Thomasville City Schools as "Twenty-one beautiful years." She embraces the role in CIS with excitement and professionalism. Her outgoing personality makes it easy for students, staff, and parents to come to her for help. Her favorite part of job is being able to assist families in need. Rosemary holds a Master's degree of Science in Human Services/ Social and Community Service.

In her spare time, Rosemary loves to spend time with her grandchildren, leading them by example. Her mother inspired her to be family-oriented. Her special talent is making punch – any flavor or color!

Coats for Kids

Brrrrrr....It's getting cold out there.

Well - not yet, but it will get cold eventually!

Let's not leave a child out in the cold this year by donating a new or gently-used coat today.

Drop off coats at 400 Turner Street and we will make sure every child stays warm at the bus stop.

Young's Cleaners donates the cleaning for used coats. Thank you, Young's, for your annual support of this program.
